

Honors Minor Requirements

Incoming students will be automatically enrolled in the Honors minor. Those who wish to deepen their experience may opt into one of our research-focused minors. All students must be in good standing in the Honors College to declare and receive a minor (3.0 GPA and successfully complete a minimum of two Honors courses (5-6 hours) per academic year in residence.)

Core Courses (9 hours)

___ HNRS 1010 Honors Core Experiences (1)

___ HNRS 1010 Honors Core Experiences (1)

___ HNRS 1010 Honors Core Experiences (1)

Choose Two

- HNRS 2000 Critical Analysis
- HNRS 2009 Physical Science for Citizens OR 2010 Life Science for Citizens

___ HNRS seminar OR departmental honors course OR or honors option (at the 3000/4000 level) (3)

___ HNRS seminar OR departmental honors course OR or honors option (at the 3000/4000 level) (3)

With Research

Students may pursue the Capstone sequence in addition to fulfilling the requirements of their chosen minor above. Students must be in good standing with the Honors College to declare and receive the Honors research minor (3.0 GPA and successfully complete a minimum of two Honors courses (5-6 hours) per academic year in residence). Students may additionally earn the *With Honors Research* distinction by finishing with a 3.5 GPA in cumulative, LSU, and honors coursework.

Capstone Sequence (9 hours)

___ HNRS 3800 Capstone Reading and Research Methods (3)

___ HNRS 3900 Capstone Development and Writing (3)

___ HNRS 4000 Capstone (3)
